

"RUSTLER-HD" SERIES MEDIUM DUTY GATES

The 2W "Rustler-HD" Series Medium Duty Gates are an easy to install entry gate designed for use in light stress livestock handling applications. The "Rustler-HD" Series Medium Duty Gates utilize a chain-latch system to fasten the gates open or closed to fence posts or existing livestock handling assemblies. Variable rail spacing broadens the gates's livestock applications to include small animals such as calves, sheep, hogs, and many more. "L" shaped gate hinges are simply designed for ease of install. These gates are powder coated in 2W Blue.

The 2W "Rustler" Series is a great solution for livestock owners looking to purchase widely applicable panels & gates that will connect to existing handling systems.

UPRIGHTS & RAILS

"Rustler-HD" Series Medium Duty Gates

16 Gauge - 2 $\frac{3}{8}$ " Dia. Round Steel Tube | Chain-Latch Connecting System | "L" Style Gate Hinges

IMPORTANT NOTE: 2W "Rustler-HD" Series Panels & Gates utilize a **Chain-Latch Connecting System**. This system allows the "Rustler-HD" Series products to be connected to existing systems. The Chain-Latch Connecting System allows a certain amount of variable adjustability when connecting panels & gates, allowing to adjust for a variety of dimensional constraints. Contact your local 2W dealer for fitment support.
