

"CHAMPION" SERIES HORSE STALLS

2W "Champion" Series Horse Stalls treat their equine occupants to a luxurious environment and offers equine handlers an attractive solution. The "Champion" Series Horse Stalls are manufactured using a higher thickness steel for durability and are powder coated to ensure the longevity of the stalls. Available in 10ft, 12ft, and 14ft lengths and available with choice of wood board inserts (**Must be sourced by customer**) or wire mesh.

The 2W "Champion" Series Horse Stalls are connected via Stall Wall Connectors, 2 Way Connector Posts, or 3 Way Connector Posts.
