

BLOCK DOORS HANDLING ASSEMBLY

The **2W Block Doors Handling Assembly** can be purchased separately to place in your alley set-up. Available in 32" and 38" widths or as an adjustable block door to be used in **2W Single Alley Handling Assemblies** and **Double Alley Handling Assemblies**. The Block Doors aid in handling livestock flow and are best utilized when placed behind a **2W Palpation Cage Handling Assembly**. 2" x 8" Wooden board inserts come standard.

Available with "400", "500", or "600" Series hook-ups, these block doors are capable of integrating into any 2W Heavy Duty Corral Handling System. These handling assemblies are powder coated in 2W's standard **Dark Gray** and **2W Red**.
