

"EQUINE" SERIES ROUND ARENA PENS

The 2W "Equine" Series Round Arena Pens are a high quality, heavy duty pen that allows equine owners to create their own space for working with their horses. Designed with angled panels that create a barrier of safety for your horse to prevent any hang-ups or injuries, and to allow riders to be able to use the most of the space created. Sheeted with $\frac{1}{4}$ " TPO plastic, this product is easy to sanitize, maintain, and install while adding dramatically increased durability to ensure a long lasting pen/arena.

Made primarily of 13 gauge - 2" diameter high strength steel tube, with 16 gauge - 2" diameter tube, the "Equine" Series Round Pen is guaranteed to stand the test of time, and provide a high quality, attractive assembly. This product is powdercoated in **2W Dark Gray**.
