

"RUSTLER-HD" SERIES MEDIUM DUTY GATE PANELS

The 2W "Rustler-HD" Series Light Duty Gate Panels are a cost effective solution for walk-through entry into a low stress system, and provide a panel spacer to the side. The "Rustler-HD" Series utilizes a chain latch connecting system which connects the product to existing fixtures and anchors. J-Legs are incorporated to add stability in wet ground conditions. The "Rustler-HD" Series of panels and gates are painted in 2W Blue.

The 2W "Rustler-HD" Series is a great solution for livestock owners looking to purchase panels and gates that will connect to pre-existing panel systems.

TECHNICAL SPECIFICATIONS

SPECIFICATIONS

"Rustler-HD" Series Light Duty Gate Panels

16 Gauge - 2 $\frac{3}{8}$ " Dia. Round Steel Tube | Chain-Latch Connecting System | Simple Bullet Style Hinges

IMPORTANT NOTE: 2W "Rustler-HD" Series Panels & Gates utilize a **Chain-Latch Connecting System**. This system allows the "Rustler" Series products to be connected to existing systems. The Chain-Latch Connecting System allows a certain amount of variable adjustability when connecting panels & gates, allowing to adjust for a variety of dimensional constraints. Contact your local 2W dealer for fitment support..
