

CALF TIPPING TABLE HANDLING ASSEMBLY

The **2W Calf Tipping Table Handling Assembly** makes branding, castrating, dehorning, and vaccinating calves a safe and easy operation for both the calf and their handler. A side door opens, with either left or right side opening allowing full access to the calf from the handler. This calf handling table is built following **2W's Heavy Duty Series Equipment** with high quality materials and the latest in manufacturing processes.

This product is powder coated **2W Dark Gray** and **2W Red**.
